GORE-TEX

The innovative ePE membrane provides durable waterproof, windproof, and breathable protection, ensuring long-lasting performance while being PFAS-free. It blocks wind to preserve warmth and allows moisture to escape, keeping your hands dry and comfortable.

SAFETY STORM LEASH

A new leash concept that offers an increased safety feature for riders and skiers.

GOGGLE & NOSE CLEANER

The mini goggle squeegees helps to easy-clean your lenses. The special velvet fabric on the thumb provides a soft place to wipe your runny nose.

REMOVABLE LINER

A removable lining where the back of the lining is built with a hot thick material whilst the palm is thinner to maintain sensitivity. The removable liner can be removed and washed.
