MATERIAL: Water resistant fabric, Kevlar reinforcement **INSULATION:** Knitted brush inside **DRY TECHNOLOGY:** Membra-Therm Plus **HIGHLIGHTS:** BIOMEX® Protection

FEATURES: Long cuff, Adjustable strap, Storm leash, Fleece removable lining, Breathable system, Nose cleaner, Goggle cleaner

MEMBRA-THERM PLUS

A highly breathable membrane insert that creates a waterproof barrier between exterior layer of the glove and the insulating materials. It optimizes warmth and comfort by keeping the hands dry.

WATERPROOF FABRIC TREATMENT

The fabric is laminated with a process that permits to add a breathable waterproof membrane to the outer material, optimizing warmth and comfort while keeping the hands dry.

FLEX PALM

The elastic cordura insert on the palm allows for a better fit, more flexibility and a cozy feeling.

ELASTIC CORD

This elastic cord seals from the outside environment when the snow is deep and the weather is foul. The cuff goes completely over your jacket sleeve and cinch's tight with the cord.
