14 olive green

## GORE-TEX

The innovative ePE membrane provides durable waterproof, windproof, and breathable protection, ensuring long-lasting performance while being PFAS-free. It blocks wind to preserve warmth and allows moisture to escape, keeping your hands dry and comfortable.

## NOSE CLEANER

Special velvet fabric placed on your thumb. Provides a gentle feeling when used as a nose wipe while riding or skiing.

## WATERPROOF FABRIC TREATMENT

The fabric is laminated with a process that permits to add a breathable waterproof membrane to the outer material, optimizing warmth and comfort while keeping the hands dry.

## MICROINJECTION RUBBER ICON

Rubber insert applied and stitched on the palm for a touch of style!
