MATERIAL: Water resistant fabric, Reinforced leather palm **INSULATION:** Fiberfill, Recycled Hydrofill **DRY TECHNOLOGY:** GORE-TEX **SUSTAINABLE VALUE:** 69% Recycled 10% Organic **FEATURES:** Short cuff, Adjustable strap, Storm leash

GORE-TEX

The innovative ePE membrane provides durable waterproof, windproof, and breathable protection, ensuring long-lasting performance while being PFAS-free. It blocks wind to preserve warmth and allows moisture to escape, keeping your hands dry and comfortable.

ADJUSTABLE STRAP

This closing system makes it easy to fit under jackets therefore offering a better closure.

LEATHER PALM & THUMB

Elevate your grip and durability with our gloves featuring reinforced palm and thumb leather patches. Experience enhanced performance and longevity, making them your go-to choice for demanding activities.

WATERPROOF FABRIC TREATMENT

The fabric is laminated with a process that permits to add a breathable waterproof membrane to the outer material, optimizing warmth and comfort while keeping the hands dry.
