ALPINE W

CODE: 3345WG | **SIZE:** 6 (XXS) / 8,5 (M-L)

DESCRIPTION: Past and future: the new Alpine. The Alpine has been redesigned to give a hint of modernity to an already iconic model. Thanks to our recent technological development, it has been possible to preserve the Alpine's performance and use the latest sustainable materials. This model features both Membra-Therm Green and Multilayer Primaloft. Even after a full day of skiing, your hands will be warm, dry and protected. We now use recycled cloths and materials for both the external layers and the inner lining. The palm is also reinforced with leather patches.
