INDEX REINFORCEMENT

The leather index reinforcement protects against tearing. This light glove is specifically indicated for cross-country skiing and Nordic Walking.

I-TOUCH SYSTEM

The "I-Touch" system allows you to use your smart phone without having to remove the glove.

WATERPROOF GOAT LEATHER

A soft waterproof leather, used mainly for ski gloves in areas which are exposed to high abrasion such as the palms or between the thumb and index finger.

SPECIAL STITCHING ON PALM

Leather palm stitching with support material to improve grip and avoid abrasions.
