**MATERIAL:** Water resistant fabric, Youkon palm reinforcement **INSULATION:** Knitted brush inside **DRY TECHNOLOGY:** Membra-Therm Plus **HIGHLIGHTS:** BIOMEX® Protection Jr **FEATURES:** Long cuff, Adjustable strap, Fleece removable lining, Breathable system, Nose cleaner

### MEMBRA-THERM PLUS

A highly breathable membrane insert that creates a waterproof barrier between exterior layer of the glove and the insulating materials. It optimizes warmth and comfort by keeping the hands dry.

### ELASTIC CORD

This elastic cord seals from the outside environment when the snow is deep and the weather is foul. The cuff goes completely over your jacket sleeve and cinch's tight with the cord.

### ADJUSTABLE STRAP

This closing system makes it easy to fit under jackets therefore offering a better closure.

### BREATHABLE SYSTEM

An air exchanging vent is placed on the back of the glove allowing moisture to escape. This improves the drying time of the glove and avoids hands getting wet.
