01 black

MULTILAYER PRIMALOFT®

Soft insulation fabric. An insulation that is water repellent! Unlike down, it won't hold water so it even keeps you warm when it's wet! A warm and soft feeling that offers good breathability.

MEMBRA-THERM PLUS

A highly breathable membrane insert that creates a waterproof barrier between exterior layer of the glove and the insulating materials. It optimizes warmth and comfort by keeping the hands dry.

REINFORCED LEATHER PALM

Abrasion-resistant goat leather patches on palm and index finger for both stretch and durability.

FLEX THUMB

Unlock superior comfort and freedom of movement with our Flex Thumb construction. It enhances thumb flexibility for a truly comfortable experience.
