**DESCRIPTION:** The Coco Mitt is one of the warmest and strongest models of our Women's Line. Thanks to its sheep leather lining, this mitten is extremely soft and comfortable, even after a full day on the ski slopes. ## MULTILAYER PRIMALOFT®

Soft insulation fabric. An insulation that is water repellent! Unlike down, it won't hold water so it even keeps you warm when it's wet! A warm and soft feeling that offers good breathability.

## MEMBRA-THERM PLUS

A highly breathable membrane insert that creates a waterproof barrier between exterior layer of the glove and the insulating materials. It optimizes warmth and comfort by keeping the hands dry.

## POLYGIENE®

With Polygiene® Stays Fresh Technology, enjoy fresh-all-day confidence. Polygiene makes your glove/mitten stay fresh!

## EXTRA SOFT LEATHER

Designed for a remarkably comfortable fit, enhancing your ski experience with a touch of refinement.

## MERINO WOOL

Merino wool lining keeps hands warm and dry and its natural temperature regulating ability is ideal for high performance sports activities.

## COZY FUR

Stay warm and cosy. A thick fur cuff for optimum warmth and comfort. This model is ideal for adding a touch of glamour to your winter looks.

## STORM LEASH

This cord is used to secure the glove to your hand with an adjustable plastic. A big advantage when you don't want to wear gloves but want to keep them attached to the wrist.

## SHORT GAUNTLET STYLE

The short under-cuff can easily be tucked into your ski jacket for more agility and less bulk getting in your way of wrist movement.
