**MULTILAYER PRIMALOFT®**

Soft insulation fabric. An insulation that is water repellent! Unlike down, it won't hold water so it even keeps you warm when it's wet! A warm and soft feeling that offers good breathability.

**MEMBRA-THERM PLUS**

A highly breathable membrane insert that creates a waterproof barrier between exterior layer of the glove and the insulating materials. It optimizes warmth and comfort by keeping the hands dry.

**POLYGIENE®**

With Polygiene® Stays Fresh Technology, enjoy fresh-all-day confidence. Polygiene makes your glove/mitten stay fresh!

**EXTRA SOFT LEATHER**

Designed for a remarkably comfortable fit, enhancing your ski experience with a touch of refinement.
